Davina Galloway	Highways Agency	Saxham	Saxham Map 48.1	LP22	Comment only		A key area of concern to the Highways Agency is those employment sites located immediately to the north of Bury St Edmunds in "The Fornhams", to the east (LP7) and to the west (SS40, SS41 and LP22). Employment development in these settlements would be likely to lead to increases in short commuter-based trips to/from the Bury St Edmunds urban area through A14 junctions and along the A14 corridor. This could, potentially, also increase the use of the A14 Bury St Edmunds by-pass as a local distributor route thereby compromising the A14's strategic function.
